

Season's Greetings from Chiltern

December 2011

IN THIS ISSUE

- 2011 Achievements
- Chiltern Collaborative Technologies
- See you in 2012

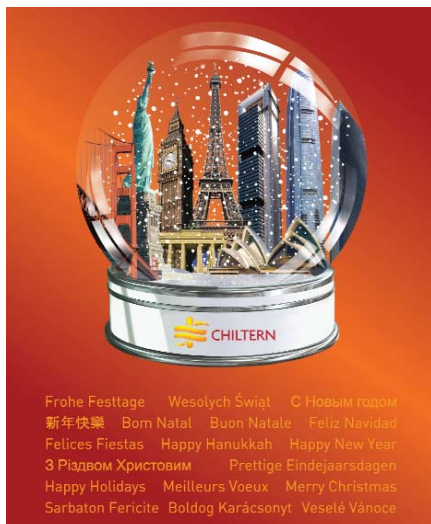

It is hard to believe that we are approaching the end of 2011 already but here we are – moving fast towards the holidays!

2011 has been a successful and productive year for Chiltern and we are grateful to have many achievements to look back on and to be proud of.

Amongst some of our notable achievements for 2011 are:

- The opening of new offices in Leiden, Netherlands and Chicago, USA
- Formation of a legal entity in Israel
- Winner of multiple industry awards – PharmaTimes Awards and client supplier award
- Numerous technology and process enhancements – Chiltern SAFE for global TMF management and Chiltern Activate for rapid study start up

In 2012, Chiltern will be celebrating **30 years** of clinical research excellence and we look forward to commemorating this important milestone with all our clients and partners in the New Year.

On behalf of our teams around the world, we would like to take this opportunity to wish you and your family Season's Greetings and a very Happy New Year.

Click on the image to view our e-card.

In lieu of paper cards, we have donated the cost savings to UNICEF.

Chiltern Collaborative Technologies

Chiltern offers the best-in-class technologies to provide our clients a wide range of technology options that provide timely solutions for their clinical trial requirements.

Chiltern's Collaborative Technologies were brought in as a turnkey solution reflecting integrated processes and technology. Our Data Warehousing brings together data from core clinical systems to present one consolidated view of information.
